Hail to Kappa Eta Kappa,
Let us thy praises sing,
Thy men forever brothers are,
And will ever honor bring,

Hail to Kappa Eta Kappa,
Now shall our voices ring,
To serve our trust as ever serve we must,
Here's to thee, Kappa Eta Kappa.

We are engineers and proud we are
Of our fraternity,
We pledge ourselves to its ideals,
To serve through electricity.

We are engineers and proud we are,
And ever proud will be,
To join the ranks of all those who give thanks,
To thee Kappa Eta Kappa.
